In-Office Infection Control

Courses are presented at your office location or to small study groups.

“Can Your Office Survive an OSHA Inspection?”

2 CEU’s *Course satisfies State Board and OSHA/MOSH/VOSH requirements*

Academy of General Dentistry
Approved PACE Program Provider
FAGD/MAGD Credit
1/1/2009 to 12/31/2012

Tired of taking generic infection control courses that don’t apply to your specific office? This course provides an in-depth coverage of the required background information necessary for OSHA and regulatory compliance and then addresses specific Infection Control Issues in the individual dental offices present. Topics include: Blood Borne Pathogen Standard, Hazardous Communication Standard, Aseptic technique, and CDC Guideline.

Fee Schedule

OSHA

\$ 425.00 for 1st 5 participants

25.00 for each additional participant

\$ 100.00 travel fee for offices outside the Balt/Wash metro area

50% payment due at booking

Balance due 5 days before course along with final confirmation of participant number

Make checks payable to Hygiene Associates or submit Credit Card info.
